Community Clean Up Day – April 30th

Meet at 8:30am at the Parking Lot at Cordelia Park to help clean up our community for the Great American Clean Up! We will gather litter and debris from along North Davidson Street and the park. The city will supply trash bags and gloves. Please bring water and snack if needed.

Open Streets 704 – May 1st

Open Streets 704 will temporarily close streets to automobile traffic so that people may use them for walking, bicycling, dancing, playing, and meeting their neighbors. *VHCO will have a tent set up at 2027 N Davidson (24th & Davidson) to welcome people to Villa Heights. Please stop by and say hello!* Find out more about Open Streets 704 and view the route at www.openstreets704.com

Important Announcement

Several items in our current community bylaws need revising. To ensure you are up to date on all possible changes, to see how the changes may affect you, and to get involved, please come to the monthly VHCO meetings, held on the second Monday of each month, 6:30pm, at Free Range Brewing. **Please call/email to receive a copy of the bylaws or meeting minutes.**

Current bylaws state you must attend two meetings per year to participate in voting

Parkwood Ave/The Plaza “Road Diet” update

Due to increasing traffic issues in our area, Char-Meck Department of Transportation is evaluating Parkwood Ave (from North Davidson to The Plaza) for a “Road Diet”. The goal would be to improve traffic patterns, as well as safety for our residents who utilize these roads for walking and biking. The next step by the city is a “walking audit” to get more information from area residents, and this should happen in May. More details to come...

Community Garden

Our community garden has been planted and growth is underway! Please consider volunteering to help in the garden, and “reap” the benefits! 😊
