Neighborhood Grant Opportunities

The City of Charlotte's Neighborhood Business Services holds quarterly grant opportunities for neighborhoods like ours!

Villa Heights has been the gracious recipient of these grants in the past, which have enabled us to band trees, start a community garden, procure neighborhood signs, and more.

The Neighborhood Matching grants are not possible without the dedication and commitment of neighbors coming together and pledging volunteer hours and/or in-kind donations.

Our next grant deadline is in March, and we will once again be asking our caring neighbors for their time and attention so that we may continue to improve our neighborhood and grow together.

If you have any grant ideas for the future or want to learn how to get more involved, please reach out to us.
